\*For correspondence: [zysmu1990@163.com](mailto:zysmu1990@163.com) or [zouying1990@jnu.edu.cn](mailto:zouying1990@jnu.edu.cn)

The protocol “Establishment of an in vitro Differentiation and Dedifferentiation System of Rat Schwann Cells” (DOI: [10.21769/BioProtoc.4631](https://doi.org/10.21769/BioProtoc.4631)) has been corrected by the author to include an additional citation relevant to the protocol that had been omitted. Furthermore, the wording of several protocol steps was rephrased. All changes to the text are highlighted in the attached PDF file.

## Supplementary information
